

Shuttercraft Cambridge

Allia Future Business Centre, Kings Hedges Road
Cambridge, Cambridgeshire CB4 2HY
United Kingdom

Phone: 01223 646479

Shuttercraft Cambridge provides shutters and blinds in the Cambridge, Bury St Edmunds, and Thetford areas. We have a real passion for customer service. This approach leads to a better buying experience for people throughout Cambridgeshire. We offer a free no-obligation home visit and will bring with us a professional Shuttercraft presentation so that you can see the full set of standard colours available (both painted and stained finishes), as well as sample panels demonstrating the types of installation and frames you can have in your home. We will also conduct a technical survey, taking precise measurements to supply a competitive free survey. After all, you'll be dealing with a shutter expert, not a salesman on commission.
